

NORTHLAND COMMUNITY AND TECHNICAL COLLEGE

2135 LAW ENFORCEMENT OFFICIAL VISITATION

Law enforcement officials needing to conduct business on campus shall check in with a college administrator, campus registrar's office, or student affairs supervisor upon arrival. The college official will determine the student's location and arrange for the officer to meet with the student in a private area. Unless it is necessary for the safety of students and employees, the officer will not enter the classroom in which the student is located which will be done to protect the student's privacy. In cases of emergency, such as fire alarms or serious injury/accident, officers have the authority to conduct business and perform their duties in the manner necessary to fulfill their obligations without contacting the designated administrators.
