3150 CREDIT FOR PRIOR LEARNING POLICY

Credit for Prior Learning refers to credit granted by the College for previously gained knowledge and skills that are equivalent to coursework at the College. Such credit may be granted through various means: direct transfer of courses of equivalent nature (see Transfer of Credit Policy 3120 and Procedure 3120P); by examination; for a veteran's military training or service; through evaluation of credit for experiential learning (portfolio review and/or competence demonstration); or through formal Tech Prep agreements with high schools. Such credit granted will appear on the transcript and is not considered resident credit.

The college's student services and academic personnel will assess applications for credit for prior learning at the student's request. It is the student's responsibility to provide documentation to support his or her request.
