3150 CREDIT FOR PRIOR LEARNING POLICY

Credit for Prior Learning refers to credit granted by the College for previously gained knowledge and skills that are equivalent to coursework at the College. Such credit may be granted through various means: direct transfer of courses of equivalent nature that were completed at other regionally accredited institutions of higher education; by examination; for a veteran's military training or service; through evaluation of credit for experiential learning; or through formal Tech Prep agreements with high schools. Such credit granted will appear on the transcript.

The College's Student Services personnel and appropriate faculty will assess applications for credit for prior learning at the student's request. It is the student's responsibility to provide documentation to support his or her request.
