

NORTHLAND COMMUNITY & TECHNICAL COLLEGE

3440 PROGRAM INTERRUPTION POLICY

A student working toward a certificate, diploma or degree will follow the approved program curriculum at the time of acceptance in a major. Students who have maintained continuous enrollment may elect to follow a new approved program curriculum that is adopted during their enrollment. Students who elect to follow a new program curriculum must submit a Change of Student Status form to the Registrar's Office. Students who have not attended for one academic term (excluding summer) or more must meet the program requirements in effect at the time of their re-enrollment.

If a student's program of study is interrupted, the college does not guarantee that the program will be available upon their return.
