### **EMTB 1101- PSEO Eligible with the following note:**

Candidates must be 18 years of age to take National Registry of Emergency Medical Technician's (NREMT) Emergency Medical Technician (EMT) certification exam. This exam consists of a written exam and practical skills (hands-on) testing. This certification exam is taken at the student's personal expense after successful completion of EMTB1101. Cost for the written exam is approximately \$80 and the cost of the practical exam is approximately \$250.

Completion of the NREMT certification exam is not required to successfully complete the course and exam costs are not covered by the PSEO program.

**NOTE:** This list is subject to change without notice. It is the student's responsibility to check to ensure their courses will be funded by the PSEO program.
