Why NCTC

College is a time for you to soar and explore. Your college experience lasts a lifetime, giving you the opportunity to learn, make life-long friendships, and prepare yourself for the future.

At Northland Community and Technical College, you’ll find opportunities to excel, to actively participate in classroom discussion, to express your thoughts and communicate your ideas. You’ll experience learning through hands-on activities, internships and work experience. You’ll discover new ways of thinking and gain a global perspective. You WILL achieve things that, up until now, you could only imagine. All things are possible at Northland Community and Technical College!
The College

Northland Community and Technical College students are as diverse as their interests. Many students are recent high school graduates, some are employees interested in expanding or updating their skills, some are taking courses for personal enrichment; others are getting the education they never got after high school. Whatever the goal ... Northland Community and Technical College offers the affordability, flexibility and opportunity for success.

• Less than 1% are international students
• 7% are students of color
• Enrolled full-time: 933
• Enrolled part-time: 1,032
The East Grand Forks Community

East Grand Forks lies at the confluence of the Red Lake River and the Red River of the North, with excellent catfish fishing, boating, and other recreational opportunities. In the heart of the Red River Valley, East Grand Forks produces an abundance of grains, sugar beets, and potatoes each year.

Recreation is available at many state park systems within a one-hour drive. The neighbor across the Red River is Grand Forks, North Dakota which includes the Grand Forks Air Force Base, Alerus Center, Ralph Engelstad Arena and University of North Dakota.

There is a Grand Cities population of 57,000 with a surrounding area population of over 80,000. The Grand Forks International Airport is only five miles away.

Downtown East Grand Forks has been completely revitalized through a new urban development program that features the historic Whitey’s, Blue Moose, Cabela’s and other new businesses that serve the community.
The Thief River Falls Community

Thief River Falls is the hub of northwestern Minnesota. The area abounds with a variety of activities. Thief River Falls is also located on the Pine to Prairie Birding Trail, and only 21 miles from the largest wildlife refuge in Minnesota. Whatever your interest - biking, camping, golfing, snowmobiling, skiing, river fishing, tubing, hunting, or just plain relaxing - it can be found in and around Thief River Falls.

Thief River Falls has a small-town atmosphere with safe, friendly neighborhoods, affordable housing, excellent medical care, as well as a variety of shopping, restaurants, hotels, and employment opportunities for students.

Thief River Falls is the regional center for manufacturing, healthcare, retail and is also home of the Ralph Engelstad Arena- Thief River Falls.

Until 1904, an Ojibwe village of 40 families was located where the Thief River and Red Lake Rivers meet. This is the current site of the Thief River Falls campus.
Students First

Northland Community and Technical College caters to the needs of students. A variety of services are available, and they are all free.

- The Career Placement Offices assist students and graduates with current job listings, trade newsletters, internet job searches, as well as résumé application preparation.

- The Counseling Departments offer professional counseling to aid with academic, career and personal concerns.

- The Learning Centers provide an excellent and friendly environment for tutoring and study labs; these are available for all students in all subject areas, as well as providing reasonable accommodations for students with documented disabilities.

- The Learning Resource Centers provide a wide variety of instructional materials, equipment and services to students and faculty.

- The Multicultural Diversity Offices have a strong commitment to serving students of diverse cultures, and offer support and assistance to our diverse student population.

- The New Venture Center on the TRF campus and the Equity Coordinator on the EGF campus are resources providing advocacy and support for students in nontraditional career fields, single parents, displaced homemakers, and single pregnant women.

- The Wellness Center on the TRF campus features free weights, cardiovascular machines and other equipment. Plus, there are open gym opportunities, tennis courts, baseball and softball fields, basketball courts, intercollegiate athletics, intramural sports and scenic trails.

- On the campuses, the gymnasium, student commons and cyber cafes are available most weekends.

- The NCTC-TRF “Discovery Place On Campus” childcare center is located on campus and provides licensed day care for children who are at least sixteen months old through six years of age.
Making College Affordable

A college education is the best investment you can make.

The Financial Aid Office advises these simple tasks to making college affordable:
1. Complete the FAFSA. (Free Application for Federal Student Aid.) http://www.fafsa.ed.gov/
2. Apply for local scholarships.
3. Check the website www.finaid.org for access to an online searchable database for scholarships.
4. Visit with Financial Aid Staff for more information.
Costs to Attend

The 2005-2006 cost to attend NCTC is $128.00 per credit plus fees. Students average 16 credits per term while attending Northland.

Please note that some programs have additional costs, fees and requirements and it is advised to contact your campus of choice for more information by calling EGF at 1-800-451-3441 or TRF at 1-800-959-6282.

Eighty-nine percent of students at Northland Community and Technical College receive some federal and/or state aid.
More Than The Classroom

Ask any graduate, and you’ll hear that college isn’t just lectures, papers and reading. Northland Community and Technical College offers a variety of diverse programs that may have you broadcasting live on the College radio station, racing to the scene of an accident to perform life saving skills, or helping a child learn to read.

In Northland’s renowned allied health programs, students work in hospitals, clinics and nursing facilities around the region to receive state-of-the-art hands-on training.

Northland serves the booming construction industry with programs in architectural technology, carpentry, construction electricity, heating, ventilation and air conditioning, and plumbing technology.

Through Northland’s Liberal Arts program students have the opportunity to complete their Associates in Arts degree. The program includes the first two years of most bachelor’s degrees and is designed for transfer to a four-year institution.

NCTC also boasts partnerships with such distinguished businesses as Northwest Airlines, American Airlines, Arctic Cat, Digi-Key, Altru Health Systems, Forx Builders Association, Polaris Industries, and many more. College is not only classroom time, NCTC includes on-line, ITV and evening classes, and has satellite sites in Roseau, Moorhead, Brainerd, Virginia, Duluth, Hibbing, Perham, International Falls, Detroit Lakes, Wadena and Bemidji.
Play Sports

Northland Community and Technical College is a member of the National Junior College Athletic Association (www.njcaa.org) and the Minnesota Community College Conference. Northland offers intercollegiate sports for both men and women, including: men’s golf, football, basketball and baseball, and women’s golf, volleyball, basketball and softball. Athletic facilities are located on the Thief River Falls campus. Both campuses host a number of intramural sports and activities with something for everyone.
