

Fire Fighter I & Fire Fighter II Training

Fundamentals Come First

A Proud Member of the Minnesota State Colleges and Universities System

Instructor Rick Besser earned a B.S. in Health Education from Bemidji State University and his Paramedic certification from Northwest Technical College, Wadena. He has been working in emergency services for the past nine years as a Paramedic for First Care Medical Services in Fosston, MN and as the Training Officer for the Erskine Fire Department. Rick is the Fire/EMS coordinator at Northland Community & Technical College where he provides hour-based training to fire departments and healthcare providers in Northwestern Minnesota.

Center for Outreach & Innovation:

The Fire Fighter education through the Center for Outreach & Innovation (COI) is dedicated to provide quality and timely educational services. We have a wide variety of classes to offer you from Fire Fighter I and II to NIMS.

The Fire Fighter I & II curriculum will be taught from the new Jones and Bartlett text. This text provides students with quality fundamental classroom training along with the opportunity to make up any missed sessions, due to their busy schedules.
