Thief River Falls Student Housing List

The following information is provided to assist in locating suitable housing while attending Northland Community & Technical College. Please be aware, however, that Northland Community & Technical College does not enter into any housing agreements or arrangements between students and landlords, nor will we become involved in any negotiations regarding housing problems other than to assist you, the student, to bring about good communications between yourself and the landlord. The College provides this list to all students without recommendations, endorsements, or other encouragement as to any facet of the condition of the facility, terms of renting, etc. We have not and will not inspect, screen, disapprove, or otherwise check out any of the housing that is listed.
