

Fall Informal Advisory committee meeting. Only agenda item was to get substitutes for my impending maternity leave. Contacted the advisory committee and was able to get these names:

Steph Homme

Lisa Olson Vedbraaten

Merissa Lucas

Jason Grandstrand

Katie Chaput Overgaard

Abby Faldet

Let Advisory committee know that Steph Homme would be my main sub and would be backed up by the rest of the list. Also discussed that Steph was pregnant and that Lisa Olson Vedbraaten would be the first person called. Advised that I would hold a formal meeting in the spring and would discuss major updates at that time.
