The Star Thrower Story by Joel Barker

Joel Barker is a master storyteller. And one of his most cherished stories, *The Star Thrower Story*, is now available as a short film.

Taken from his best-selling program, *The Power of Vision*, Joel Barker's version of the Loren Eiseley classic effectively reminds us that we all have the ability to make a difference. As individuals, we can choose to take action and participate in the world around us. Together, we can shape the future.

We all have a gift to give; our challenge is to find it.

Remember:

Vision without action is merely a dream

Action without vision just passes time

Vision with action can change the world

—Joel Barker, *The Star Thrower Story*
