

## Accessing the Northland College Network from Either Campus

\* *Click on the **Advanced** Button to Activate Below Settings*

1. Click the drop down arrow next to **Context**.

**EGF Employees** should be **Employees.EGF.NORTHLAND**

**TRF Employees** should be **Employees.TRF.NORTHLAND**

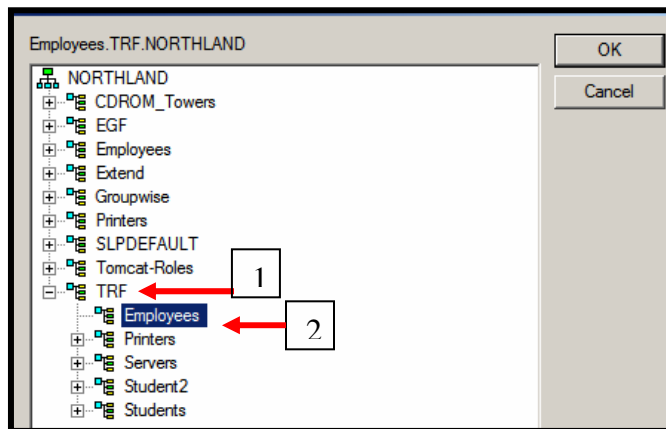

*Context Screen*

Having trouble getting on the Network, please check the below settings.

### **TRF employees trying to log into the network from East Grand Forks Campus:**

If the TRF Employee Context does not show in the Drop Down box

1. Click the **Context Button** to the right of the drop down box.
2. Find **TRF** in the list that displays and click the **Employees** Context.

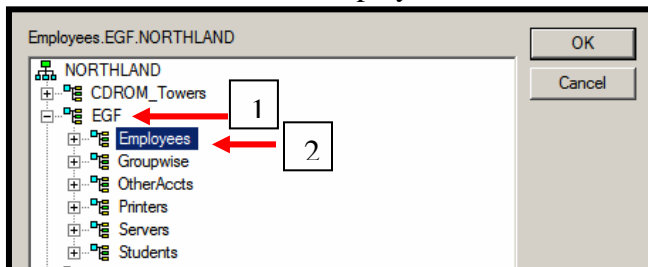

\* **Stop into the EGF-ITS department to access a Wireless Network connection or if you have trouble with your wireless connection.**

### **EGF employees trying to log into the network from Thief River Falls:**

If the EGF Employee Context does not show in the Drop Down box

1. Click the **Context Button** to the right of the drop down box.
2. Find **EGF** in the list that displays and click the **Employees** Context.

\* **Stop into the TRF-ITS department to access a Wireless Network connection or if you have trouble with your wireless connection.**

3. Click **OK**
4. Type your **Username and Password** and click **OK**
