

Fall 2021

Nursing Assistant Hybrid Course

Pre-registration is required

77 Total Hours

- ◆ 40 hours of Zoom & Independent Study
- ◆ 21 hours of in-person learning in the skills lab & 16 hours in a clinical setting*

*Dependent on current COVID-19 restrictions. If we aren't allowed into the clinical site, these 16 hours will be completed on campus

- ◆ Attendance and Online Learning hours are Federally mandated to successfully complete the course
- ◆ Computer access is mandatory for Hybrid Courses
- ◆ Computer must have a web cam for Zoom purposes
- ◆ Prepares students for practice at the nursing assistant level through hand-on skills development in a supervised lab, textbook, lecture, handouts, and demonstrations
- ◆ Introduces concepts of basic human needs in simple terms
- ◆ Learn to assist residents in daily living activities
- ◆ Introduces common technical nursing skills
