

NORTHLAND COMMUNITY & TECHNICAL COLLEGE

3100 REPEATING COURSES

A student may repeat a Northland course no more than two (2) times unless otherwise defined by program requirements. Repeating a course will not remove previous attempts from the student's transcript. The best grade will become the grade calculated for GPA purposes. All repeated credits are included in the completion percentage calculation for satisfactory academic progress. Certain "activity-based" courses as defined in the catalog, such as: private music lessons, band, chorus, and certain physical education courses may be repeated for credit. Repeating a course will not remove previously posted Academic Progress notations on the student's transcript.

Repeated courses may not qualify for financial aid.
