# THE 1967 RAVEN

THIEF RIVER FALLS

STATE JUNIOR COLLEGE

THIEF RIVER FALLS,

MINNESOTA

The Thief River Falls State Junior College was founded in the fall of 1965. The growth of this institution has exceeded expectation with an enrollment of close to three hundred students in 1966.

The purpose of our college is four-fold: to offer an Associate of Arts Degree; college transfer to a four-year institution; vocational technical education for immediate employment; adult education which will complement the work of public schools in providing continuing education for adults.

At present, our college is located in the Lincoln High School building, but plans are now being drawn and studied for a new campus to be built in the spring of 1968. These new facilities will then enable our college to better accomplish its purposes and fulfill the needs of college students in our area of northern Minnesota.

1965 and 1966 were years of firsts. Organizations, athletics and social events came into being. Scarlet, navy, and white were chosen as our school colors, the "Northmen" as our school name and the "Raven" as our mascot. Several new organizations were started; Lutheran Student Organization, Newman Club, Young Republicans, Young Democrats, and Pep Club. For students with literary interests the newspaper, "The Northern Light", and yearbook were formed. Athletics went into full swing when our college joined the Northern Junior College Conference and the National Junior College Athletic Association. Basketball players, wrestlers, and cheerleaders, complete with new uniforms, began practice in fall quarter. Golf, tennis, and track teams were organized in spring quarter. On the social side, a Sadie Hawkins Day Dance, a Christmas dance, a Winter Festival, a carnival, a spring formal, an operetta, choir concerts and weekly dances were highlights of the school year.

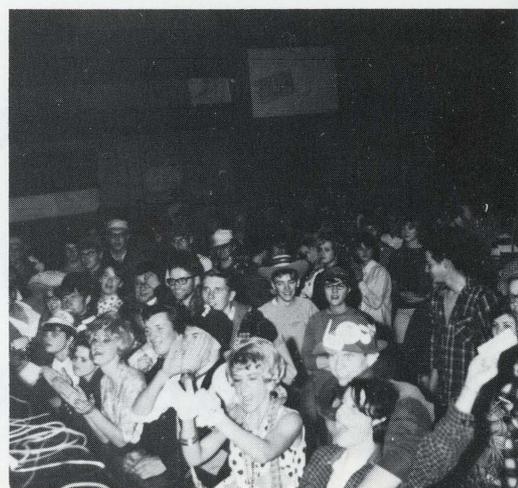

1967 marked another first, Graduation exercises were held in June. Our graduating students went on to new careers and new colleges and the college looked forward to the returning sophomores and the beginning freshmen.

DEAN VICTOR CHARLES

Dean Charles is a man who despite all that he has achieved in his career, continues to be a man who is always looking for ways to improve himself and his organization. He is a man who is always looking for ways to improve himself and his organization. He is a man who is always looking for ways to improve himself and his organization.

**ADMINISTRATION & FACULTY**

## DEAN VICTOR CHARLES

Dean Charles is a man who, despite his many duties, has time to give guidance, counseling, and understanding to each student. A native of Illinois, he has had many years of educational and administrative experience.

The local Advisory Committee members, who are appointed by the State Junior College Board, work closely with the Dean. The members of the board are citizens from the local area who are familiar with the junior college movement. They are the official liason group between the college and the State Junior College Board. The committee meets once a month with the Dean in the Student Center. The Dean consults with this committee on problems concerning building problems, finances, and scholarships.

During our first two years we were very fortunate to have at our disposal a well-equipped and growing library under the able direction of Mrs. Isaacson. The library was located in the Lincoln High School building our first year but was moved to the old Carnegie library with the completion of the new city library in 1966.

Our efficient office staff kept all the college records, typed registration materials, and generally kept the office running in good order.

## SOPHOMORE CLASS OFFICERS

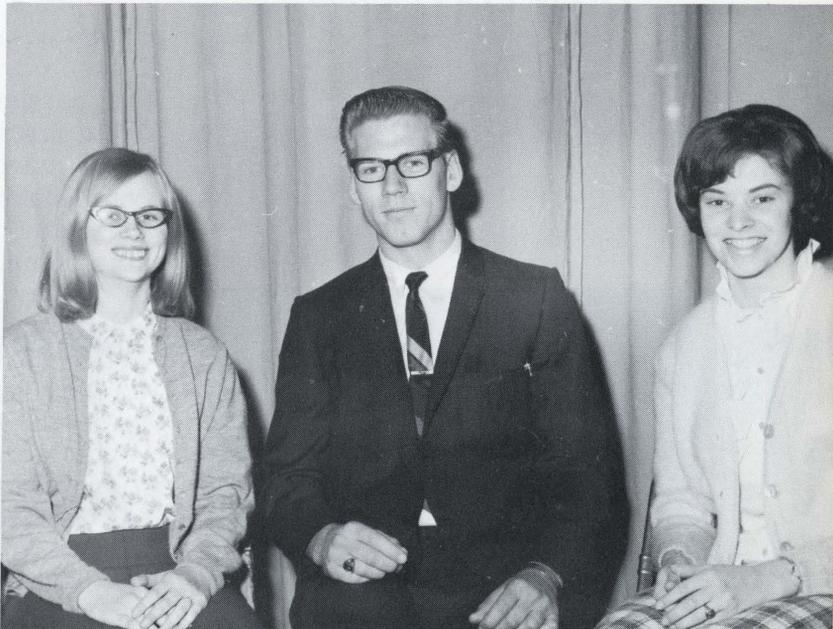

BACK ROW: Don Delorme, vice president; Susan Finney, secretary; Lonnie Schiefert, president. FRONT ROW: Myrna Weckwerth, student council representative; Dennis Hoel, treasurer.

Both freshman and sophomore class officers are elected by popular vote in the fall. To be a candidate ten signatures on a nomination petition are necessary.

The freshman officers sponsored the spring formal on May 27. The sophomore officers planned their graduation which took place on June 9. They also sponsored the Snow Festival the week of February 20-25. Although the work of the class officers is behind the scenes their accomplishments are numerous.

## FRESHMAN CLASS OFFICERS

Class officers are hard to find.

Kathy Breiland, treasurer; Greg Farder, president; Darlene Huot, secretary. NOT PICTURED: Georgann Fahey, vice president; Dick Brown, student council representative.

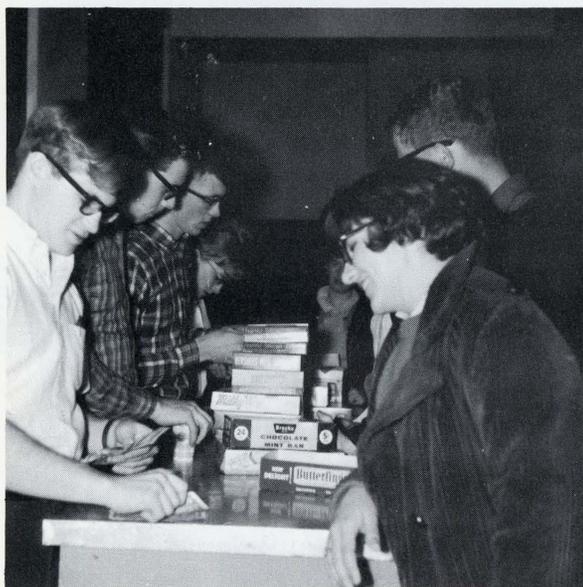

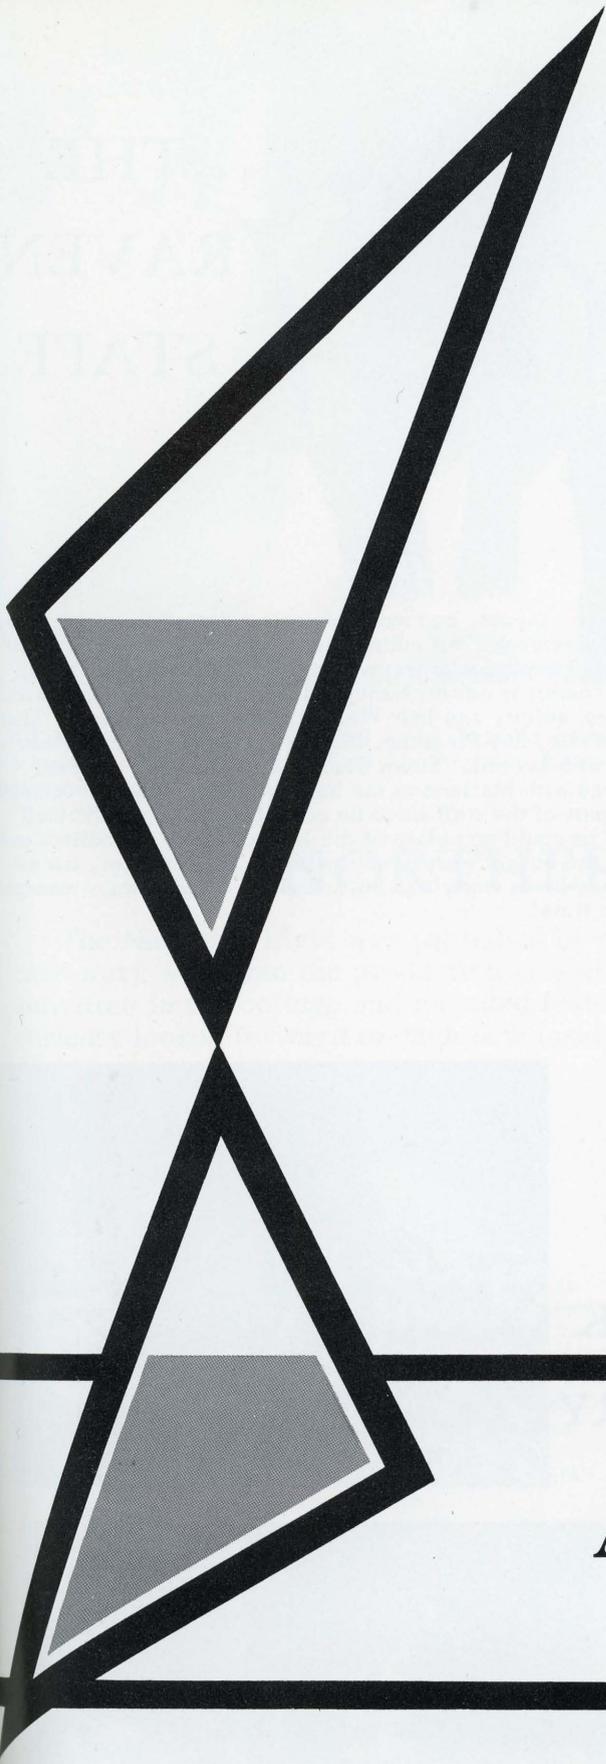

FRONT ROW: Nancy Quam, Steve Furuseeth, Myrna Weckwerth. BACK ROW: Joe Fuller, Dick Brown, Greg Herling, Advisor, Doug Soderstrom.

## STUDENT COUNCIL

Basketball Concessions!

To be a member of the student council this past year meant a great many meetings, heated discussions and a lot of just plain hard work. Four parties ran for office: "The Action Party", "Your Party", "The Patriots", and "The S.L.A.V.E. Party". "The S.L.A.V.E. Party" (Students Looking for Action of Various Events) was victorious with three of their four candidates being elected: Steve Furuseeth, president; Joel Fuller, vice-president; Nancy Quam, secretary; and Greg Herling, treasurer of the "Action Party". The freshman representative was Dick Brown and the sophomore representative Myrna Weckwerth. The members of the council got "action on many events". The constitution, concessions, student center, the budget, Christmas Dance, Sadie Hawkins Day, and the Sock Hop were among the many projects. The most important accomplishment of the year was establishing a workable government. While the spectacular achievements of the student council seem solely concerned with entertainment, it was the slow careful deliberation of the student council on student affairs that made it such a valuable organization.

# THE RAVEN STAFF

Pictures, copy, layout, and work are only a few of the things needed to produce a yearbook. An editor, assistant editor, business editor, photographer, and anyone who was willing to work had to be found. Lois Shern was chosen as editor; Nancy Quam, assistant editor; Marlene Rolland, business editor, and Judy Weltzin, chief photographer. Eloise Weltzin, Judy Walla, Bev Bredeson, Maureen Netterlund, and Linda Nyvall worked with layouts. Susan Glad, Connie Sauve, and Pam Torkelson worked with Marlene as the business staff. We also consider Huck Olson as part of the staff since he contributed many basketball shots. None of us could complain of the lack of work. Deadlines and the problem of the budget were always with us. Miss Maher, our advisor, spent many hours worrying, but somehow things always managed to get done, on time!

# NORTHERN LIGHT

The Northern Light was published bi-quarterly by the students. Many hours of hard work went into the production of a single issue. The paper covered all the activities in the college and included features, original stories, and cartoons. The students looked forward to each new issue of the paper.

## LUTHERAN STUDENT ORGANIZATION

The Lutheran Student Organization has three main purposes: "to know Jesus Christ..." more fully as one's personal Savior, to understand what the church is and should mean to the twentieth century Christian, and to learn how to "follow Christ" and be a Christian witness.

Their activities have included a special hayride for all college students, panel discussions, and one very special Christmas party at which they packed Christmas boxes for soldiers stationed in Viet Nam who are from Thief River Falls. Their officers include: Gus Jacobson, president; Judy Borchert, secretary; Greg Herling, treasurer; and Diane Goethe, publicity chairman.

The Catholic Students' organization on the campus is the Newman Club. It is under the guidance of a chaplain appointed by the bishop of the diocese in which the college is located. They elect officers and carry on a program of activities which range from study clubs, lectures, parties and dances to picnics. The goal of the ideal Newman Club program is the formation and development of capable student leadership.

The Thief River Falls Junior College's Newman Club is under the guidance of Father Ditzler, chaplain, and Art Heinz, advisor. They meet every other Wednesday at St. Bernard's Church. A guest speaker is usually present at each meeting and the club discusses such issues as: dating on a secular campus, changes in the Catholic Church, and mixed marriages.

Their elected officers for this year include: David Boroski, president; Victor Broadwell, first vice-president; Jerry Hoefler, second vice-president; Connie Sauve, secretary; and Steve Perreault, treasurer.

## NEWMAN CLUB

The Junior College Chorus under the direction of Mr. Morken had an event-filled year. During fall quarter the Chorus sang for American Education Open House, the lighting of the Christmas lights and presented a Christmas concert. The highlight of winter quarter was the chorus trip to Bemidji State College to participate in the singing of the "Creation" by Haydn. The year ended with the presentation of a Sidewalk Folk Concert.

## BASKETBALL

The Northmen shaped up into a fine squad as the season progressed. They won four games consecutively, one against Bottineau School of Forestry, one against Hibbing State Junior College, and two against Itasca State Junior College.

The basketball squad consisted of all freshman players with Allen Jensen as team captain and play maker and Greg Farder and Eldon Sparby as leading scorers. The starting lineup consisted of: Allen Jensen, guard; Tim Kuiper, guard; Paul Walker, center; Eldon Sparby, forward; Greg Farder, forward.

Coach Al Adams expects an even stronger team next year when these students return as sophomores.

## WRESTLING

The wrestling squad held second place in conference standing for dual meets in the Northern Junior College Athletic Conference. The team had two wins each over Crookston and Hibbing. In non-conference competition they met Moorhead State College, Bemidji State College, and the University of North Dakota. As this yearbook was printed, the conference meets were not completed. Even though this was the first year of wrestling, Coach Cy Dickson expected to win championships in conference tournaments and place in national tournaments. Coach Dickson commented, "Most of the team were freshmen, so we expect an even stronger team next year."

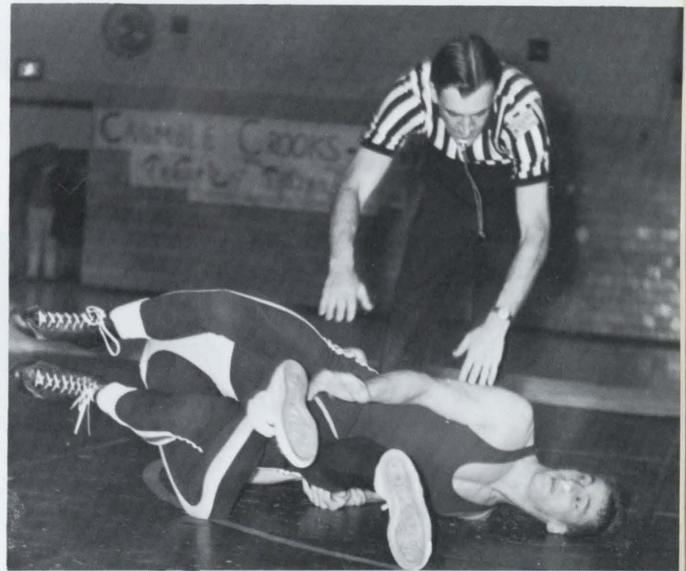

Wrestling to win!

BACK ROW: Pat Schuster, Sharon Christensen, Diane Saurdiff. SECOND ROW: Barb Waldera, Vicki Lane.  
FRONT ROW: Laurel Rude, Norma Goepferd.

## CHEERLEADERS

Dressed in their red culottes and white sweaters, the cheerleaders whipped up crowd enthusiasm. They always cheered their best. Chosen by a committee of faculty and students, the cheerleader's main function was to lead cheers at the basketball games and wrestling meets.

There were four regular cheerleaders and three alternates. Each of the alternates took a turn cheering as the fifth cheerleader after Georgann Fahey, one of the regular cheerleaders, left us. According to Miss Maher, advisor, the cheerleaders are members of the National Cheerleaders Association. Active and enthusiastic, the cheerleaders contributed much to the college spirit.
