Responses to requests by students to review their educational records shall be within ten business days.

The written request for access to educational records is to be submitted to the registrar's office, identifying the record(s) the student wishes to inspect. If the record(s) are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

### **Challenge to Record**

Students may challenge the accuracy or completeness of their educational records. *Note:* the right to challenge a grade does not apply under this policy unless the grade assigned was allegedly inaccurately recorded. Other challenges to grades shall be according to the Grade Appeal policy (Policy 3430).

Students who believe that their educational records contain information that is inaccurate, misleading, incomplete, or is otherwise in violation of their privacy rights may challenge the record through the following procedure.

A student who wishes to ask the college to amend a record shall make a written request to the registrar's office, clearly identifying the part of the record the student wants changed, and specifying why it should be changed. The registrar's office contact shall forward on to the school official responsible for the record in question for a decision.

If agreement is reached with respect to the student's request, the appropriate records will be amended, and a reasonable attempt will be made to notify past recipients of inaccurate or incomplete data, including recipients named by the student. If not, the student will be notified within a reasonable period of time that the records will not be amended, and they will be informed by the registrar's office of their right to a formal hearing.

Student requests for a formal hearing must be made in writing to the Minnesota Commissioner of Administration within 60 days of receiving the decision. The request must be directed to: Commissioner of Administration, State of Minnesota, 50 Sherburne Avenue, St. Paul, MN 55155, who, within a reasonable period of time after receiving the request, will inform the student of the date, place and the time of the hearing. The hearing will be conducted by the Office of Administrative Hearings (OAH) and according to the procedures set forth in Minn. Stat. Ch. 14. Students may present evidence relevant to the issues raised and may be assisted or represented at the hearings by one or more persons of their choice, including attorneys, at the student's expense.

Decisions of the hearing officer will be based solely on the evidence presented at the hearing, will consist of the written statements summarizing the evidence and stating the reasons for the decisions, and will be delivered to all parties concerned.

The education records will be corrected or amended in accordance with the decision of OAH if the decision is in favor of the student. If the decision is unsatisfactory to the student, the student may place with the education records statements commenting on the information in the records or statements setting forth any reasons for disagreeing with the decision of the hearing officer, or both. The statements will be placed in and maintained as part of the student's educational records, and released whenever the records in question are disclosed.
