3150.3P CREDIT FOR PRIOR LEARNING – MILITARY COURSES AND MILITARY OCCUPATIONS

The procedure defines the requirements for evaluating and granting credit to a student admitted to Northland Community and Technical College for successful college-level learning gained through military courses and military occupations.

Methods of assessing credit for prior learning – military courses and military occupations include:

AWARDING OF CREDIT FOR MILITARY EXPERIENCES

Students having served in the military may request to have credit awarded for experiences gained while serving in the military, in accordance with Minnesota Statute 197.775, Sub. 2. Requests will be evaluated based on the program of study at Northland. A copy of the veteran’s DD-214 and any other transcribed records of education must be on file in the Registrar’s Office.

Students will be awarded four (4) credits for their basic military training. Students enrolled in technical programs may receive credit for CRLT 2103, Job Seeking/Keeping and SSCI 1101, Human Relations. Other students will have these credits listed as general electives and they may or may not transfer to other institutions.

Additional credit may be awarded depending on the type of training/education received. When we evaluate these courses we will use the “Guide to the Evaluation of Educational Experiences in the Armed Services” as our guide and we will award credit as recommended by the American Council on Education.

CREDIT FOR EXPERIENTIAL LEARNING

Students may earn academic credit in certain college courses applicable to their program of study if they have gained skills and knowledge from previous education, job training, self-study, or occupational experiences. In some programs, students may be permitted to start at a more advanced level if they can demonstrate college-level competency similar in nature and quality to the competency they would acquire in courses offered by the College.

Academic credit may be given for credit by examination, proficiency demonstration, and/or college-level experiential learning as documented by portfolio assessment. Students may be charged applicable fees.

CREDIT BY EXAMINATION

- Nationally recognized examinations, such as:
 1. DSST (DANTES Subject Standardized Test) **SEE PART A**

PART A: DANTE'S SUBJECT STANDARDIZED TESTS (DSST)

DANTES stands for Defense Activity for Non-Traditional Education Support. They offer military personnel an extensive series of examinations in college subjects that are comparable to final or end-of course examinations in undergraduate courses. **Northland will award three credits for successfully passing each examination:**
