

### **3150.3P CREDIT FOR PRIOR LEARNING – MILITARY COURSES AND MILITARY OCCUPATIONS**

The procedure defines the requirements for evaluating and granting credit to a student admitted to Northland Community and Technical College for successful college-level learning gained through military courses and military occupations.

Methods of assessing credit for prior learning – military courses and military occupations include:

#### **AWARDING OF CREDIT FOR MILITARY EXPERIENCES**

Students having served in the military may request to have credit awarded for experiences gained while serving in the military, in accordance with Minnesota Statute 197.775, Sub. 2. Requests will be evaluated based on the program of study at Northland. A copy of the proper documentation, must be on file with the Registrar office.

Three (3) credits for goal area 9- Ethical/Civic Responsibility (E5 or higher and/or proof of deployment) will be awarded for PLSC 1102 American Government.

Additional credit may be awarded depending on the type of training/education received. When we evaluate these courses we will use the “Guide to the Evaluation of Educational Experiences in the Armed Services” as our guide and we will award credit as recommended by the American Council on Education.

#### **CREDIT FOR EXPERIENTIAL LEARNING**

Students may earn academic credit in certain college courses applicable to their program of study if they have gained skills and knowledge from previous education, job training, self-study, or occupational experiences. In some programs, students may be permitted to start at a more advanced level if they can demonstrate college-level competency similar in nature and quality to the competency they would acquire in courses offered by the College.

Academic credit may be given for credit by examination, proficiency demonstration, and/or college-level experiential learning as documented by portfolio assessment. Students may be charged applicable fees.

#### **CREDIT BY EXAMINATION**

- Nationally recognized examinations, such as:
  1. DSST (DANTES Subject Standardized Test) **SEE PART A**

#### **PART A: DANTE'S SUBJECT STANDARDIZED TESTS (DSST)**

DANTES stands for Defense Activity for Non-Traditional Education Support. They offer military personnel an extensive series of examinations in college subjects that are comparable to final or end-of course examinations in undergraduate courses. **Northland will award three credits for successfully passing each examination:**
