

FY2026 Electronics Tech Automated Sys. Exit Survey

Start of Block: Exit Introduction

Q1 Before you head out into the world, Northland would love to hear about your experience in the program. This quick survey asks about the skills you learned, what your plans are after graduation. Your feedback helps Northland keep improving the program for future students. It only takes a few minutes, and your honest input really matters. Thanks for sharing and congratulations on all your hard work!

Q2 Help us keep in touch! Your contact information is collected separately and **cannot** be linked to your survey responses.

- First and Last Name _____
- Mailing Address _____
- City, State _____
- Zipcode _____
- Personal Email _____

End of Block: Exit Introduction

Start of Block: Program Specific Questions

Q2.1 The following list are common skills and duties associated with the degree you earned. How much do you agree with each statement based on your capabilities after graduating?

Q2.2 I can apply knowledge, techniques, skills and modern tools of mathematics, science, engineering, and technology to solve well-defined engineering problems encountered in electronic design, electronic parts logistics, and the economics associated with material workflow.

- Disagree
 - Somewhat disagree
 - Somewhat agree
 - Agree
-

Q2.3 I will be employed in an electronics-related area or continue to a baccalaureate program.

- Disagree
 - Somewhat Disagree
 - Somewhat Agree
 - Agree
-

Q2.4 I can adapt to rapidly changing technology through initiative and participation in lifelong self-directed professional development.

- Disagree
 - Somewhat Disagree
 - Somewhat Agree
 - Agree
-

Q2.5 I exemplify a commitment to quality, timelines, and continuous improvement.

- Disagree
 - Somewhat Disagree
 - Somewhat Agree
 - Agree
-

Q2.6 I can read and interpret datasheet information provided by electronics component manufactures.

- Disagree
 - Somewhat Disagree
 - Somewhat Agree
 - Agree
-

Q2.7 I can design solutions for well-defined technical problems and assist with the engineering design of systems, components, or processes appropriate to the electronics discipline.

- Disagree
 - Somewhat Disagree
 - Somewhat Agree
 - Agree
-

Q2.8 I can apply written, oral, and graphical communication in well-defined technical and non-technical environments, and an ability to identify and use appropriate technical literature.

- Disagree
 - Somewhat Disagree
 - Somewhat Agree
 - Agree
-

Q2.9 I can conduct standard tests and measurements along with the ability to analyze and interpret the results.

- Disagree
 - Somewhat Disagree
 - Somewhat Agree
 - Agree
-

Q2.10 I can apply fundamental concepts of economics and management.

- Disagree
 - Somewhat Disagree
 - Somewhat Agree
 - Agree
-

Q2.11 I understand professional, ethical and social responsibilities.

- Disagree
 - Somewhat Disagree
 - Somewhat Agree
 - Agree
-

Q2.12 I can function effectively as a member of a technical team.

- Disagree
 - Somewhat Disagree
 - Somewhat Agree
 - Agree
-

Q2.13 Please include any additional comments that you would like to share to help improve the Electronics Technology Automated Systems program at Northland:

End of Block: Program Specific Questions

Start of Block: Exit Education

Q1 After completing your program, are you continuing your education at Northland or another institution?

- Yes, at Northland in another transportation program
- Yes, at Northland in a different program area
- Yes, in a transportation program at another institution
- Yes, in different program area at another institution
- Not continuing education
- Other (please explain): _____

Skip To: End of Block If After completing your program, are you continuing your education at Northland or another institut... = Not continuing education

Skip To: End of Block If After completing your program, are you continuing your education at Northland or another institut... = Other (please explain):

Display this question:

If After completing your program, are you continuing your education at Northland or another institut... = Yes, in a transportation program at another institution

Or After completing your program, are you continuing your education at Northland or another institut... = Yes, in different program area at another institution

Q2 Please provide the college or university you are enrolled in:

▼ Bemidji State University ... Other (please specify)

Q3 Please select the degree or certificate you are currently pursuing:

Certificate or Diploma

Associates Degree

Display this choice:

If After completing your program, are you continuing your education at Northland or another institut... = Yes, in a transportation program at another institution

Or After completing your program, are you continuing your education at Northland or another institut... = Yes, in different program area at another institution

Bachelor's Degree

Display this choice:

If After completing your program, are you continuing your education at Northland or another institut... = Yes, in a transportation program at another institution

Or After completing your program, are you continuing your education at Northland or another institut... = Yes, in different program area at another institution

Master's Degree

Display this choice:

If After completing your program, are you continuing your education at Northland or another institut... = Yes, in a transportation program at another institution

Or After completing your program, are you continuing your education at Northland or another institut... = Yes, in different program area at another institution

Doctoral or Professional Degree *e.g. PhD, MD, JD)

Other (please specify) _____

End of Block: Exit Education

Start of Block: Exit Employment

Q1 Will you be employed after graduation?

Yes, as an automotive service technician/mechanic

Yes, in a related field

Yes, in an unrelated field

No

Skip To: End of Block If Will you be employed after graduation? = No

Display this question:

If Will you be employed after graduation? = Yes, in an unrelated field

Q2 Are you planning to or actively seeking a job in the automotive industry?

- Yes
 - No
 - Unsure
-

Q3 If you have multiple jobs, please provide information on what you consider to be the most important for the following questions.

Q4 Which of the following best describes your current employer?

- Automotive Dealership (e.g. Ford, GM, Toyota)
 - Independent Repair Shop
 - National or Chain Service Center (e.g. Firestone, Midas, Jiffy Lube)
 - Fleet Services (e.g. trucking companies, delivery fleets, municipal/state fleets)
 - Heavy Equipment, Diesel, or Industrial Repair (e.g. ag equipment)
 - Other (please specify) _____
-

Q5 On average, would you consider this position to be:

- Full-time
- Part-time

Q6 If comfortable, please share you pay structure and rate:

- Hourly - please enter your hourly wage:
- Salaried - please enter you annual salary:
- Unsure / Prefer not to answer

End of Block: Exit Employment

Start of Block: Exit Final Block

Display this question:

If Is this position paid hourly or salaried? =

Or Is this position paid hourly or salaried? =

And And Will you be employed after graduation? No Is Selected

Q1 Which of the following best describes your current status?

- Student
- Actively seeking employment
- Military Service
- Other (please specify) _____
- Not actively seeking employment

Q2

Congratulations again, and thank you for completing this survey! All program-specific responses will be reported anonymously. Northland is proud to share the success of our graduates with the Minnesota State System Office. **Please make sure your Home/Personal Email address is up to date.** Northland's 6–12 month follow-up survey will be sent there to learn more about your employment and career progress. By clicking “Next Page,” your responses will be submitted.

Q3 Is there anything else you would like to share about the program or your experience at Northland?

End of Block: Exit Final Block
