

ADD/WITHDRAW/OVERRIDE FORM

(Not to be used for total withdrawal of all classes, please use the Total Withdrawal form)

Students may go make changes to their schedules in eServices through the first five (5) days of the term. After the 5th day, you are a student of record and will be able to withdraw from classes only.

To withdraw from a full term course, either go to the Registrar's Office or go online to eServices and sign-in. Click on "Courses and Registration" and then on "View/Modify Class Schedule." Click on the course you would like to modify and choose "Drop/Withdraw" from the drop-down menu. The last day to withdraw from a full term class is the date on which eighty percent (80%) of the days in the academic semester have elapsed. If the course is not a full term class, the last day to withdraw is the date on which eight percent (80%) of the instructional days of the course have elapsed.

After more than twenty-five (25%) percent of the term has past, the student must get approval from the faculty member and the Dean of Academic Affairs to add a course.
