

Final Exams Schedule 2024-2025

Final exams are scheduled according to the first meeting of the class during a full week of classes.

Classes will have their final exams in their regularly scheduled rooms unless otherwise notified.

All one and two credit courses will have their final exams scheduled on the last regularly scheduled class meeting before finals week.

Any student scheduled for three or more finals in one day can petition advisors to discuss a rescheduling of a final with an instructor.

Exam times for classes not covered on this final exam schedule will be announced by the instructor.

Evening courses will give their final exam on the last regularly scheduled meeting date during finals week.

Finals for evening classes will begin at the same time and on the same day as the regular course.

Faculty note: Grades are due the day after the published course end date.
