

Northland Community & Technical College's Alignment with Other States' Registered Nursing and Licensed Practical Nursing Educational Requirements

The U.S. Department of Education has implemented regulations (Regulation 34 CFR 668.43 (a) (5) (v)) which requires Northland Community & Technical College's (NCTC's) Associate Degree and Practical Nursing Programs in Nursing to provide the following:

1. a list of all states/jurisdictions where the institution's curriculum meets state educational requirements for professional licensure or certification;
2. a list of all states/jurisdictions where the institution's curriculum does not meet state educational requirements for professional licensure or certification; and
3. a list of all states/jurisdictions where the institution has not made a determination of whether the curriculum meets educational requirements.

For further information, please go to the National Council of States Boards of Nursing (NCSBN) website to look up each state's initial licensure educational requirements: <https://www.ncsbn.org/14730.htm> Students should contact the Board of Nursing in the state they would like to be initially licensed in for more specific information.

Note: This information is only for initial licensure by exam requirements for the state listed. This information DOES NOT apply to transferring Minnesota RN or PN Licensure to another state.
