

Motorcycle Intermediate Rider Course

Spring 2021

About the Course

If you are comfortable on your own motorcycle or scooter, the 5-hour Intermediate Rider Course will build upon your existing skills and knowledge. Newer motorcyclists, returning riders and experienced motorcyclists can all benefit from this course. The Intermediate Rider Course covers control, finesse, counter steering, corning, swerving and braking. Make the Intermediate Rider Course an annual tune up for your riding skills. Groups or clubs may purchase an entire Intermediate Rider Course for only \$300. Passengers may participate for free.

What our past riding students have said about the course:
