NORTHLAND STATE
JUNIOR COLLEGE

THIEF RIVER FALLS
MINNESOTA

FOREWORD

Since its beginning in 1965, Northland State Junior College has grown in many ways. Its enrollment has increased from 165 students in 1965 to its present enrollment of 325. Numerous courses have been added to the curriculum in the fields of public service and adult education. Several new instructors and administrators have been added to the faculty.

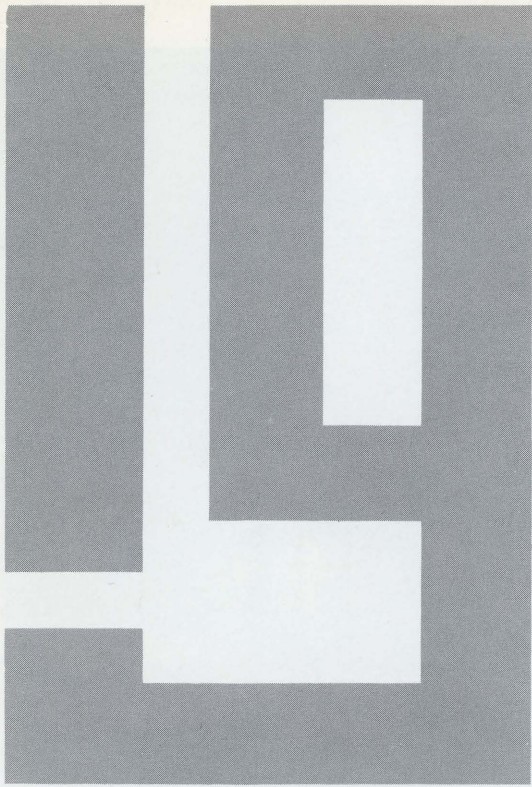

Northland offers a variety of student activities including: N Club, band, chorus, yearbook, newspaper, Student Senate, Phi Theta Kappa, International Relations Club, Entertainment Team, Lutheran Student Organization, Newman Club, Young Democrats, Young Republicans, dramatics, cheerleaders, golf, tennis, track, wrestling, and basketball.

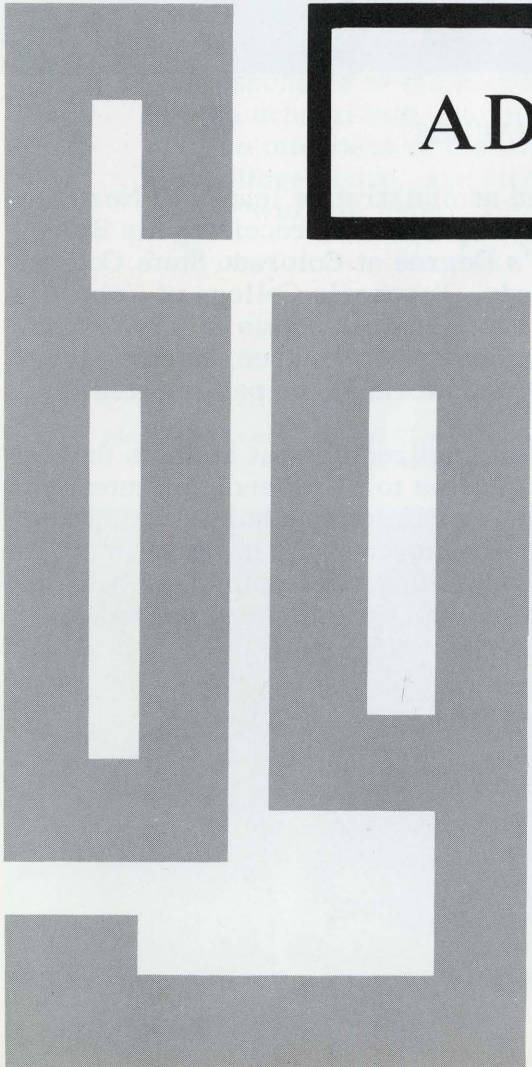

There were also many social events for students attending Northland. At the beginning of each quarter a Welcome Dance was sponsored by the Student Senate. Other dances held during the year were the Halloween Dance, Sadie Hawkins Dance, Mistletoe Ball, Valentine Dance, and Spring Formal. Homecoming and Snow Festival also provided many interesting activities for student participation. The N Club sponsored a successful carnival to raise money for Homecoming and the dramatics group presented several productions. The Entertainment Team was active in promoting the college by presenting programs at various high schools in the area.

In the fall of 1969 Northland Junior College will be located in its new building. The new facilities will include administrative offices, an eighty-seat lecture hall, a student commons, laboratories, classrooms, and a library. Future plans include a student union and an activities building.

ADMINISTRATION

**NORTHLAND STATE
JUNIOR COLLEGE LIBRARY**

PRESIDENT VICTOR CHARLES

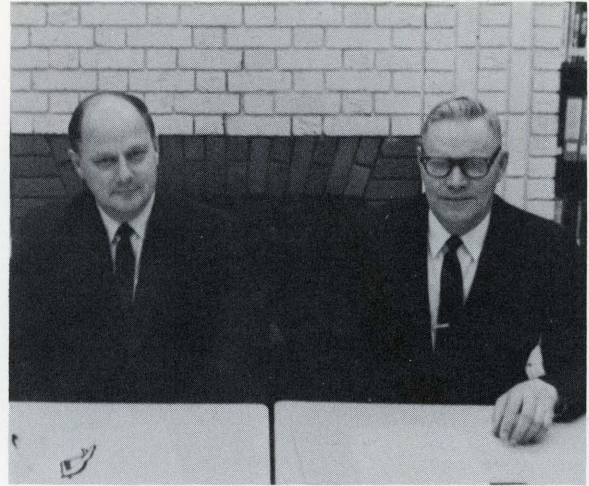

President Charles, a native of Illinois, has been administrative leader of Northland State Junior College since 1966. He is a well-qualified president, receiving his Bachelor's Degree at the University of Iowa, his Master's Degree at Colorado State College, and doing graduate work at the University of Colorado, Teacher's College of Columbia, University of Alaska, and Stanford University. He has also been active in local organizations as a member of the Rotary Club, Local Chamber of Commerce, Shrine Club, and Shrine Band. His hobbies are motorboating and woodworking, he participates in table tennis, and he enjoys all spectator sports.

President Charles has many duties as administrative director, but he feels that his main obligation is to the student. When he decided to come to Northland, his intention was to improve the college by giving the student more voice in the administration. He has indeed done this, but he feels that the student can be much more involved in college policy after the constitution is set up and approved. With this constitution, he believes that a cooperative effort by the faculty and the students can not only improve the college facilities, but can develop its goal of excellence and better serve the people.

President Charles especially wants the students to realize his interest in them and discuss their problems with him, for his door is always open.

The Board also acts as the scholarship committee which meets three times a year. The members of the board, appointed by the State Junior College board, are citizens of the local area who are familiar with the junior college movement.

BASKETBALL

The Northmen started the 1968-69 season with only one player returning from last year's squad. The team consisted of two sophomores: Tom Super and Leland Larson, and ten freshmen: Frank Dewey, Clyde Sorenson, Van Swanson, Phil Brown, Nick Neibauer, Bruce Prichard, Scott Brummer, Dwight Jaros, Gordon Eftefield, and Roger Cardinal.

The team finished the season with a 6-16 record and tied for fifth place. The season was made successful by the Northmen's high scoring Tom Super. He broke the school record for the most points scored in a game when he turned in two 37 point performances. He also led the team with a 25.4 point seasonal average.

Starting out with just seven wrestlers, the wrestling squad took second at the University of North Dakota Tournament with three champions. Highlight of the year was placing third at the conference tournament with Les Olson, Lynn Marek, and Don Sollom as individual champions. These three champions, along with Bruce Nordhagen and David Rodahl, participated in the Nat'l. J. C. Tournament. Coach John Steidl has most of the team returning next year with higher hopes.

STUDENT SENATE

To be a member of the Student Senate this past year meant a great many meetings, heated discussions and a lot of just plain hard work. The members of the senate got "action on many events". Some of the projects include the rewriting of the constitution, taking care of concessions stands at sports events, the budget, swimming parties, dances, and also this year something new, movies. The Student Senate met almost every week and talked about better ways of running the school. Don Smith, Doug Johnson, Carol Keifenheim, and Agnes Garthune all attended a convention at Hibbing this past year. While the spectacular achievements of the Student Senate seems solely concerned with entertainments, it was the slow careful deliberation of the Student Senate on student affairs that made it such a valuable organization.

NORTHERN LIGHT

This year the Northern Light was published by the students three times a quarter. A lot of hard work goes into the production of each issue which covers all the activities that are part of the college. Included in the paper are such things as features, stories, and a few cartoons. The students of Northland look forward to each new issue of the Northern Light.

YEARBOOK STAFF

Four English classes under the direction of Miss Marlene Maher prepared the 1969 Yearbook. Each class had two or three co-ordinators, depending on its size. The co-ordinators from Miss Maher's 8:00 class were Nancy Olson and Rocky Wilson who worked on sports and student life. Co-ordinators from the 9:00 class were Keith Hanson, Dave Rodahl, and John Kotaska who worked on activities. The 12:00 class co-ordinators Robert Holmes, Richard Battles, and Shawn Jahnke worked on faculty and administration pages. English Literature co-ordinators Don Smith and Kurt Gigstad prepared the candid shot pages. Miss Bunce's 11:00 English class also helped on the yearbook by working on individual pictures.

ONE ACT PLAY

On February 3, Northland's Theatre Class, directed by Mr. Roger Vaughan, presented "The Comeback", a one-act satirical comedy by A. R. Gurney. With less than a week to learn their lines, actors and actresses Cindy Alby, Terry Olson, Mary Hendrickson, Doug Johnson, Mike Stewart, and Ron Baldwin did a fairly creditable job of portraying a modern version of Odysseus' return home to an audience of 125 people.

Ron Anderson as manager, Darlene Finstad and Terry Olson on stage sets, Don Smith on Publicity, and Dave Kinsman and Robin Bredeson on lights were also involved in making the production a reasonable success.

ENTERTAINMENT TEAM

The NSJC entertainment team is a group of students who travel to area high schools to perform. It's purpose is to promote the college and good will among the area schools at which it performs.

The program put on by the team consists of various acts and also performances by the college band and octet. Cynthia Alby does pantomimes, Linda Skay does a dance act, and Dale Hanson and Mary Hendrickson perform a skit. Members of the octet are Daryl Augustine, Wayne Bakken, Ron Baldwin, Bob Gustafson, Thomas Kimball, Nathan Michaelson, John Rokke, and Van Swanson. Band members are Roger Anderson, Barb Beich, Bonnie Bengston, Barry Froiland, Mary Hendrickson, Kay Dell Henning, Carole Keifenheim, Thomas Kimball, Suzanne Mandt, Karen Mattson, Julie Sorter, and Rocco Wilson. Robin Bredeson serves as M.C.

“THE ENCHANTED”

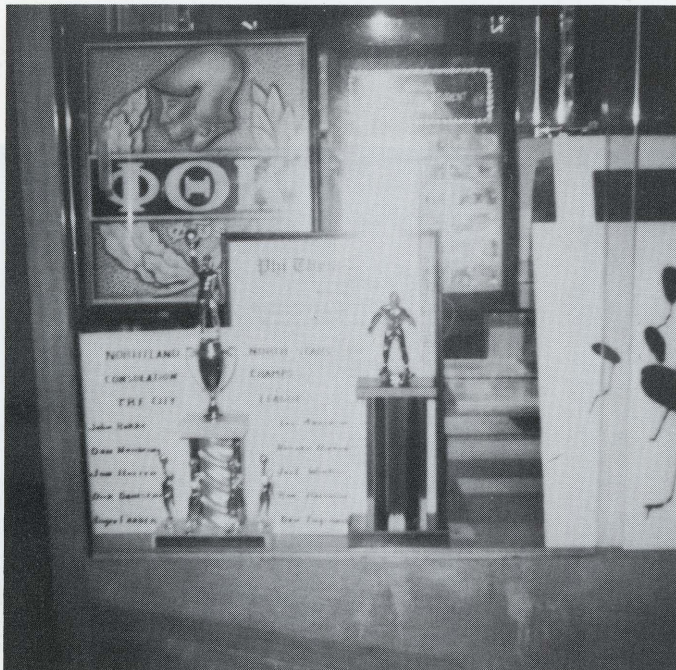

Northland State Junior College drama department presented the three-act play entitled "The Enchanted." It is a story of a critical moment in the life of a young girl -- the moment when she turns from girlhood into womanhood. In this moment, Isabel's belief in the life of the spirit is so strong that it is sufficient to evoke a real phantom, and even to threaten this world with a spiritual revolution. For eligible young Isabel, as for all young girls, the adventure of love proves more attractive.

PHI THETA KAPPA

Phi Theta Kappa is an honorary scholastic society open only to students having a cumulative G.P.A. of 3.75 or higher. Initiation ceremonies are held in the winter and spring for those freshmen and sophomores who qualify then.

Cheerleaders: KayDell Henning, Michele Quam, Sandy Thompson, Lona Carlson, and Nancy Neibauer.

CHEERLEADERS

Kay, Michele, Sandy, Lona, and Nancy, with their colors red and white, cheered the wrestlers and basketball players on, through victories and through loses. The five boosted the ego of our great players not only by cheering but also by making signs for games and giving the players "goodies" on the days of games.

The cheerleaders, with Miss Marlene Maher as advisor, lifted the spirits of our team and fans.

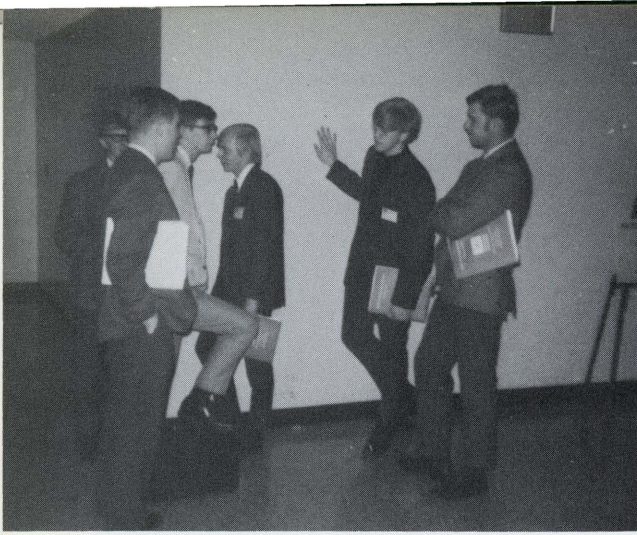

Michele, Sandy, and Lona are all from Thief River Falls, while KayDell is from Middle River and Nancy is from Mentor.
