

1982

THIEF RIVER FALLS AVTI

Property of NCTC

CURRENT EVENTS

ALLEN RESIGNS — National Security Adviser Richard Allen resigned, even though cleared of wrongdoing in accepting gifts from Japanese journalists.

POPE SHOT — Pope John Paul II was seriously wounded in an assassination attempt in St. Peter's Square in Rome.

A Turkish terrorist was sentenced to life in prison for the shooting.

Wide World Photos

ROYAL WEDDING — Worldwide attention was focused on England's Prince Charles, heir to the throne, and Lady Diana Spencer, his new Princess of Wales, when they were married in a televised ceremony at St. Paul's Cathedral.

CHAMPION IN THE RING — Sugar Ray Leonard took the undisputed world welterweight championship after stopping Thomas Hearns in a 14th round TKO.

REAGANOMICS WHIZ-KID — Budget Director David Stockman, in trouble over published remarks he made that Reaganomics might not work, offered to resign but was asked to stay on.

STONES ROLL AGAIN — In their first U.S. tour since 1978, the Rolling Stones, led by 38-year-old Mick Jagger, played a 10-week concert tour that included 42 performances. It was the Rolling Stones 19th year together.

WINNINGEST COACH — Alabama football coach Bear Bryant achieved a record 315th collegiate football victory when the "Crimson Tide" defeated Penn State, making Bryant the all-time most victorious.

SINKING FEELING — Destruction occurred in drought-parched central Florida as a series of sinkholes developed. The largest, in Winter Park, swallowed cars, houses, businesses.

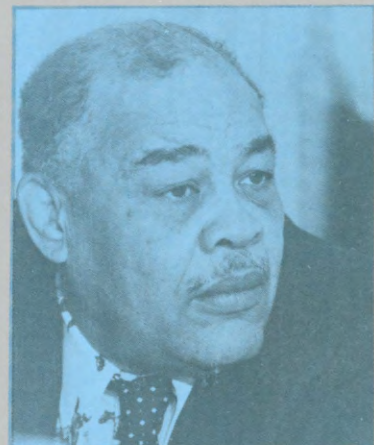

VIOLENCE IN IRELAND — Unrest continued in Ireland. Belfast was the center of violence as rioting tore through troubled Northern Ireland in the

wake of the death of IRA hunger striker Bobby Sands. He, along with other IRA members, carried out a hunger strike protest from their jail cells.

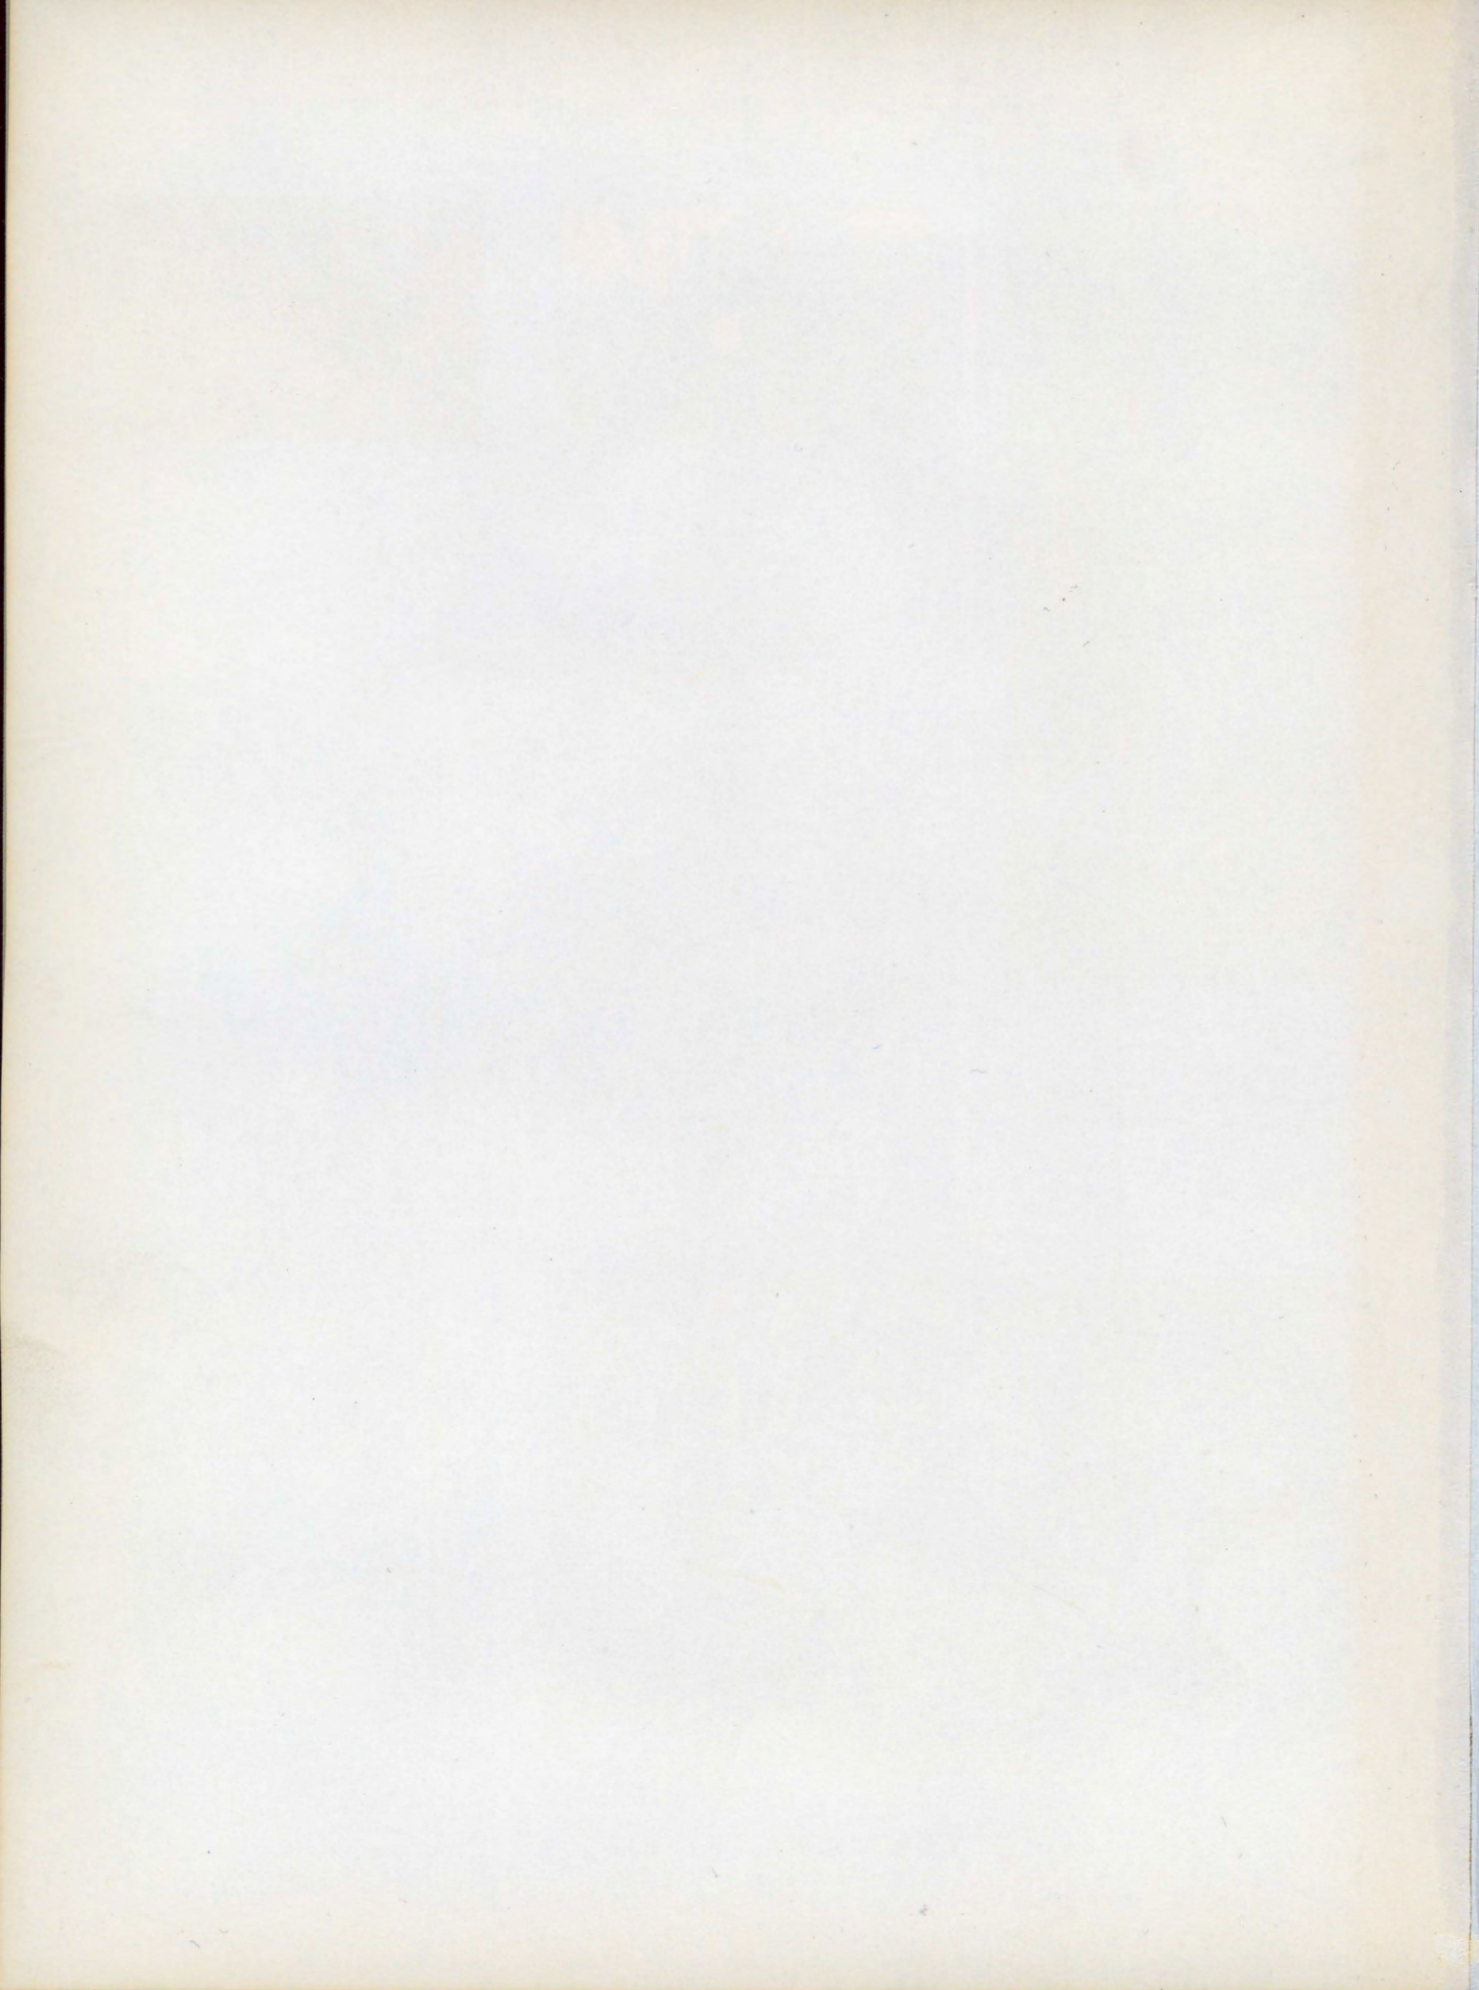

DODGERS TAKE SERIES — After losing the first two games, the Los Angeles Dodgers came back to defeat

the New York Yankees and take their first World Series title in 16 years.

JOE LOUIS DIES — Known to many as the "Brown Bomber," Joe Louis died at the age of 66. He was world heavyweight champ fighter from 1937 to 1949, and was recognized as one of the best heavyweight fighters ever.

Student Senate Members Walk Picket Lines

The Student Senate is the governing unit of the student body. All student activities are scheduled through them. Students are offered a chance to exhibit their leadership ability through their participation on the Senate and various committees appointed by the Senate. The leadership training gained through the type of participation is a valuable part of their educational experience. Senate members are selected from each vocational program.

This year's Senate members had the opportunity to display their leadership abilities early in the school year when they faced the issue of a teacher's strike! After the breakdown of negotiations between the teachers and Board of Education of ISD 564 the teachers of the district went on strike the morning of October 13, 1981. Some 540 AVTI students found themselves without classes to go to and wondering just when classes would resume. As a result of their concerns several students met and decided to take an active role in attempting to get things moving at the bargaining table. AVTI students spent several days picketing in the community to encourage an end to the stalemate. Their only objective—a settlement! For four long weeks the teachers 'walked' and the students waited. Finally the doors to the school buildings in the District were opened and classes resumed.

The strike is now history. Whether the actions of the AVTI students had an effect on negotiations, no one can be sure. One thing is sure, however, the feelings and memories of the month-long strike will long be remembered.

Once school was back in order the Senate went on with planning activities for the 1981-82 school year. Activities included: fall picnic; blood drives; Fall State Senate Convention in Alexandria; Halloween Dance; Valentine's Dance; March-in-to-spring week activities; Spring Senate Convention in Hibbing; spring intramural softball; spring picnic; spring banquet.

Senate officers for the year were: Al Szklarski, President; Chris Lawrenz, Vice President; Julie Odegaard, Secretary; Vicki Thompson, Treasurer; Pam Cerny, Parliamentarian. Vern Treat is the Student Senate Advisor.

DECA Has Two State Winners

State winners in the Minnesota DECA convention skills competition held in Duluth the last part of February included two students from the TRF chapter of DECA. Jodi Mattison of Warren won first place in the state retail floral design contest and Jack Radniecki, Thief River Falls, placed eighth in the leadership speech contest. Eighteen students from the local AVTI program attended the convention.

The Distributive Education Clubs of America (DECA) is instrumental in advancing vocational education goals in the distributive education field. The objectives are to develop competence in marketing, self-confidence in individuals, and to increase product knowledge in distributive education.

In addition to the trip to Duluth for competition DECA members were fortunate to have had the opportunity to spend three days in Winnipeg, Manitoba, Canada. The students had a chance to experience first hand many facets of their learning process.

Throughout the year DECA members are busy with various fund raisers which not only support their activities but also provide experience in their chosen profession. The whole school got caught up in one such fund raiser when on Valentine's Day a singing-valentine could be purchased for your favorite or most 'unfavorite' person. The students have also been successful with a sign printing business.

MOEA Has Productive Year

Members of the local chapter of the Minnesota Office Education Association were kept on the move during the 1981-82 school year.

MOEA is an organization for the purpose of providing students enrolled in vocational office education programs a vehicle to develop leadership, social aptitudes, and citizenship training, as well as an increased knowledge of the office and its future.

Local members were greeted at the start of school by being hosted to a picnic. Plenty of food and activities were provided for all.

After a short initiation in to AVTI life and meeting new faces an election of officers was held after a week of campaigning. The officers and committee chairpeople were soon busy planning a year of events for the chapter.

Special Olympics received much of OEA's time and effort throughout the year. Money was raised for this cause from a raffle, bowl-a-thon and candy sales.

At Christmas, the Civic Committee played Santa to four needy families. In the meantime, the Social Committee played Santa to their own members by hosting a day of bowling and pizza.

In February, MOEA week was observed with a Bowl-a-thon for Special Olympics. The students also livened up the week by designating each day a different clothing day. OEAers went from hats to hobos to mix-and-match.

March 23-27 was the Spring Leadership Conference in Minneapolis. 45 students and 2 advisors made the trip in spite of last minute budget troubles. Students attending took part in competitive events in their areas of study. Other activities included an excursion to the Chanhassen Dinner Theater, and Casino Night. To help overcome the deficit students had a frantic two weeks raising funds with another raffle, bake sale, and pancake breakfast.

Plans are made already for events for spring quarter. A banquet at the close of the year will honor those students who have been active throughout the year.

MOEA Raises Money For Special Olympics

Again this year the TRF chapter of MOEA was successful in raising money to help finance the needs of local Special Olympians!

Special Olympics is a national program that provides an opportunity for physically and mentally handicapped individuals of all ages to compete in various types of athletic activities. The program is totally supported by contributions.

\$800 was added to the funds of the local Special Olympics program by a Bowl-a-thon sponsored by OEA. Over 35 OEAers bowled for the cause. Several students in the local special education program also bowled making the day even more eventful for all.

Besides the Bowl-a-thon, the OEA chapter also sold candy. The proceeds from this fund raiser went to support Special Olympics and also to help buy playground equipment for these same students.

Added to monies contributed in the past three years, over \$3,000 has been given to the local school district so that community children can compete in a very worthwhile activity!

Sandy 'mixing and matching' it

Deb striking for Special Olympics

Cheryl making the most of hat day

Anything to raise money!

Kelly enjoying pizza at Christmas party.

Jackie bowling for Special Olympics.

VICA Members Compete

VICA is the official organization of vocational education and is open to all students enrolled in vocational programs. Its prime goal is to advance vocational education throughout the world and to develop an appreciation for the world of work. Membership in VICA is on both state and national levels. Much of the year is planned around the competitive events held annually both at the state and national level. VICA also promotes leadership skills with the election of state officers. Because of the teacher's strike local VICA members were not able to attend the fall conference at which elections were held.

In spite of missing out on the fall convention some 38 VICA members are headed for Minneapolis March 19-21 in an effort to win at what they know best! Students will be competing in their specialized areas of study. Thief River Falls has been successful in the past in having winners at the state level who then go on to compete at the national level.

Yearbook

Each year the yearbook is published for the students of the AVTI. Participation is open to anyone interested. Production begins with the start of the school year and continues until the deadline late in February; at that time final copy is mailed to the publisher and returned to the AVTI in its finished form in May. This year for the first time the Student Senate voted to purchase an ID camera. As a result student pictures were taken by student volunteers both for ID's and for the yearbook.

A special thanks this year to Dennis Booth, Electronics II, for the superb photography work.

Students Honored At AVTI Scholarship Tea

The annual Thief River Falls Area Vocational-Technical Institute Scholarship Awards presentation, held each year in conjunction with National Vocational Education Week, was held Tuesday, February 16, 1982, at 2:00 p.m. in the AVTI cafeteria.

Parents of the student award winners as well as a number of representatives from various sponsoring organizations and business firms were present as special guests for the ceremonies.

Highlight of the afternoon's activity was the presentation of scholarship awards to 124 AVTI students.

Student winners are selected by the AVTI Faculty Scholarship Committee from a large number of applicants. Selections are based on school performance as well as financial need.

Members of the AVTI Scholarship Committee are: Mrs. Julie Thorson, Mrs. Dolores Bakke, Mr. John Egge, Mr. Dennis Wilkins, Mr. Dean Paskewitz, Mr. Don Hermanson, and Mr. Bob Reeve, Chairman.

The annual National Vocational Education Week Scholarship Awards are part of the AVTI's ongoing program of financial assistance to students.

Besides the students pictured the following AVTI students received scholarships: Lezlie Wicklander, Cheryl Nelson, Daniel Paul, Cheryl Freeman, Rinehart Love, Robert Kessler, Don Blomquist, Dave Salo, Harold Kingbird, Allen Anderson, Michele Zblewski, Mary Tri, Robin Tolleson, Anna Kimble, Sharon Olson, Janet Torrance, Julie Wilde, Steve Stoltman, Jerry Smith, Michael Peterson, George Stein, Audrey Bennett, Mark Mekash, Harold Myers, Chester Grabinski, Monty Zutz, Jay Erickson, Stephanie Habedank, Lonnie Gieske, Mitch Vakoch, Fred Paradis, Jody Hansen, Charles Kittleson, Wilfred Heath, Robert Bruggeman, Dawn Gray, Julie Falk, Barbara Reynolds, Sharon Klinkhammer, Brenda Thompson.

AVTI Students on Northland Teams

Local cooperation by the Thief River Falls education officials led to the establishment of a national program in post high school athletics two years ago. As a result of a locally initiated project, the National Junior College Athletic Association approved allowing students from the AVTIs to become fully eligible members of athletic teams at state supported community colleges.

Students from the AVTI participating in the various sport programs included: **Football-** Don Hudec, Mike Busse, Bill Welsh, Steve Sletten, Coby Burslie, Dave Gorski, Scott Larson, Mike Punton; **Volleyball-** Marlys Huot, Kelly Thompson, Shelly Taggart; **Basketball (girls)-** Shelly Taggart, Marlys Huot.

ADMINISTRATION AND STAFF

Board Of Education

Seated: Lawrence McDowell, Vice Chairman; Kenneth Wiebolt, Chairman; Robert Block, Superintendent. Standing: Myrle Carlson, Director; Arnt Aune, Director; Wallace Grovum, Treasurer; Gregory Pribula, Director; Harry Sjulson, Clerk.

The Board of Education of Independent School District 564 establishes the policies for the operations of the school district within the State and Federal guidelines. They employ a Superintendent of Schools as their general administrator and hold him responsible for educational and operational management. The AVTI is included in School District 564.

However, the AVTI, as required by the law of the State of Minnesota, also works under the guidance of advisory committees.

An advisory committee is a group of citizens selected to collectively provide advice to the public school in regard to vocational education. The members are mostly from outside the field of education representing labor, management, and the general public. The members are selected because of specialized expertise and knowledge. They serve only as advisory, without administrative authority, and usually serve without pay or compensation.

The General Advisory Committee assists in the development and maintenance of the entire vocational program of a school and a school district. They identify the needs of individuals and community; help assess labor market requirements; contribute to the establishment and maintenance of realistic and practical programs; participate in developing community understanding and support; aid in building the prestige of and respect for the entire program of occupational education; and, are concerned with long range goals.

Departmental Advisory Committees serve one occupational area in a vocational school. They assess programs according to local needs and suggest changes and additions for the curriculum.

An advisory committee doesn't automatically guarantee a successful program nor will it follow that committee function will be without problems and conflicts. But a school and its representative, realistically prepared and aware of what such a lay group can contribute, can draw from the experience which is required to build and maintain good, sound programs.

When the advisory role is not filled, the school and the community cannot benefit from the exchange between educator and committee that presses programs to more effective operation. More importantly, if the program function doesn't match its potential, the individual student is denied the maximum amount of help that could, and should be available to him—help that comes only from the interaction of those who will educate and train him and those who will hire him.

Administration

Dr. Orley Gunderson, Director

Fred Ballou, Assistant Director

Terry Lemer, Adult Education Director

The Thief River Falls Area Vocational Technical Institute began its fourth decade of providing vocational technical training to the people of Northwestern Minnesota. Because of the AVTI's continual efforts to offer the most up-to-date vocational training and facilities in the State of Minnesota it is always noted as an institute of change and growth.

This quality has been apparent since the AVTI began its operation in the fall of 1949. From this start, the AVTI has seen remodeling in 1957, the building of new facilities in 1967, and the construction of a new building addition in 1979.

From the original three programs, the school has grown to a total of 20 programs with a full time enrollment of over 500 students. In addition to the full time students, the institute serves about 3,000 others annually through afternoon and evening adult education programs offered throughout Northwestern Minnesota.

Because of the uniqueness, quality, and experience of the AVTI and its programs, students are attracted from throughout the State of Minnesota and several neighboring states.

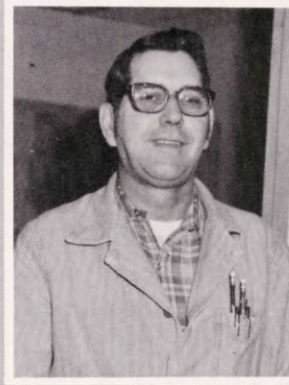

The Area Vocational Technical Institute is approved by the State Department of Education. It is approved for training under the Division of Vocational Rehabilitation, Veterans Public Law NO. 95-202, and the Bureau of Indian Affairs.

Thief River Falls is located in Northwestern Minnesota, 300 miles north of Minneapolis-St. Paul, and 45 miles northeast of Grand Forks, North Dakota.

It
isn't
the mountains
ahead
that wear you out
it's the
grain of sand
in your shoe

CURRENT EVENTS

HISTORY-MAKING FLIGHT — The space shuttle "Columbia" made history by becoming the first manned space

vehicle ever to return to orbit. The shuttle's two missions opened up new possibilities for future space travel.

PEACE RALLIES — The largest demonstration in Bonn, West Germany's history was a mass peace rally attended by about 200,000 people. It was indicative of the pacifist and antinuclear movement that swept Europe.

DERBY WINNER — Pleasant Colony won the 107th Kentucky Derby from a huge field of 21 horses. The jockey was Jorge Velasquez.

40th PRESIDENT — Ronald Reagan, former movie star and governor of California, was sworn in as President of the United States, becoming the oldest

man ever to hold that office. His conservative viewpoints marked a change from the previous Carter administration.

CABINET CONTROVERSY — President Reagan's controversial and aggressive Secretary of State, Alexander Haig, was chastened for lack of team play early in the Reagan administration.

FIRST WOMAN ON THE COURT — Sandra Day O'Connor became the first woman member of the U.S. Supreme

Court. She is a lawyer and a former Arizona state senator.

McENROE WINS — John McEnroe defeated Bjorn Borg for the Wimbledon title. During the year, his on-court tennis behavior earned him the title of "Super Brat."

CALIFORNIA GOLD — Only two years after leading the NFL in losses, the San Francisco 49'ers led the league in victories and won the Super Bowl by defeating Cincinnati.

HOTEL DISASTER — Suspended walkways covered with people collapsed into the crowded lobby of the Hyatt Regency Hotel in Kansas City, killing 113 persons.

EGYPT'S SADAT KILLED — Egyptian President Anwar Sadat, the only Arab leader to make peace with the Jewish state, was assassinated by a group of army men as he viewed a military parade in Cairo.

ASSASSINATION ATTEMPT — President Reagan survived an attempt on his life when he was shot outside a hotel as he waved to the crowd. John Hinckley, Jr., was charged with shooting the President and three others.

INDY 500 - In a mass of controversy, the Indy 500 victory went first to Bobby Unser, then Mario Andretti (shown here) then back to Unser.

RUBIK'S CUBE CRAZE - James Nourse devised and published a solution to the Rubik's Cube invented by Hungarian professor Ernő Rubik.
