

6025 Facility Use by External Organizations Policy

Northland allows the use of its facilities by external organizations to conduct public activities or meetings during regular hours of operation, when they are not used for college purposes. All non-college sponsored organization requests will be determined on an individual basis, based on availability. All non-college sponsored organizations will be charged appropriate rental and fees according to the Facility Use Rental Rates and Fees Chart. Activities are scheduled on a first-come, first-served basis, and Northland activities shall always have priority.
